The wears an iron good in field of the says are the says and the says are the says He wears an iron hook in lieu of a miss- | For any destrod information, thread a needle, write his name, or carry whom they are consigned shall unload described and the control of one end of a packing box or trunk. Main and Third streets, crew the hok and put my pencil in the building, covered by a policy of the East bole. To thread a needle I put a cork in the hole and a needle in the cork. I thread the needle with the other hand."

Editor Twitchell of Gorham, N. H.

Contrary to the popular impression, English jurisprudence it became a common practice in selecting a day for the execution of criminals to choose Friday. This practice was transplanted GAINESVILLE, TEX, Nov. 5 .- News to the American colonies, and has been fire of Sam Garvin's residence with all abiv originally founded on the superstition that Friday was an unlucky day.

Prince Bismarck's paper mill near The loss is \$5000. The property was in- Varzin, which was burned last year, has rates and all required information 475 gallons on an average, producing of the country except Calcago, and This is the second time within the last ment, and may now fairly claim reached Cincinnati from Louisville on seven months that Mr. Garvin has lost to be the largest of its kind in Germany. The two machines alone cost \$50,060, and the outlay on the whole establishment is stated to be upward of \$250,000. It is lighted with electricity

> Last spring Miss Lottie Temple of Heath, Mass., a young woman just past twenty-one, lessed a large farm, which she worked successfully, making large Pullman crops. The other night a party of her friends gave her a surprise husking bee, and all her large crop of corn was well ports from other parts of New England indicate a revival of that excellent institution-the husking bee.

Ravoninahitrinariyo, foreign minister of Magascar Europe and Americs, has been disgraced, deprived of his honors, reduced from the rank of a field marshall to that of a corporal, and exiled for life. This is the fitting punishment for his attempt to betray his country to France. It is also hinted that the name he sports was More Miles of Steel Rails than any List against him.
